WORK EXPERIENCE

American Foundation for Suicide Prevention

Dakotas Programs Manager, Jul. 2024 - Current

Curriculum & Courses

- Developed a curriculum map for a self-paced micro-learning volunteer onboarding course.
- Developed assessment tools and artifacts for the Teen Mental Health program.
- Created structured facilitator training and resource tabling presentation and materials.

Processes & Knowledge Systems

- Developed intranet SharePoint communication sites for staff, board, and ERG members.
- Created a national SharePoint tool for cross-chapter resource sharing and coverage.
- Built digital knowledge hubs (Google Classroom, SharePoint, etc.) for volunteers and staff.

Digital Learning Experiences

- Created interactive digital toolkits (PowerPoint-based), visualizing community impact and demographics.
- Designed and managed digital hubs and online learning portals for volunteers.

Resources & Tools

- Produced digital and print learning materials.
- Developed QR code card series to link to digital resources for immediate access and shareability.
- Designed and standardized resource tabling kits, visual guides, and presentation templates.

Evaluation & Assessment

- Implemented assessment strategies to measure engagement and outcomes in youth programs.
- Reported metrics on program growth and engagement.

Collaboration & Facilitation

- Partnered with AFSP leadership to develop inclusive programming and staff engagement strategies.
- Facilitated cross-chapter collaboration and knowledge sharing.
- Coordinated with educators, coaches, and community partners to deliver high-impact programming.
